♡ YAMATO NADESHIKO SHICHIHENGE'S ♡ BEAUTIFUL PEOPLE (?!)

It's finally reached 30 volumes since a horror girl, Sunako and four handsome boys started to live together! Congratulations on volume 3 ♡♡♡

"If you can turn Sunako-chan into a lady, you'll get free rent for 3 years." The four were fired up by Oba-chan's word, but it's just a big nuisance for Sunako whose natural enemies are the radiant creatures! Sunako's path to becoming a beautiful lady is as long as ever and there's no sign of progress in Sunako and Kyouhei's relationship…

Sunako makes a commotion in the disguise of a female pirate to get Oba-chan's jewels back! On top of that, they hold a dreadful Halloween party with Ojyou-sama!? Furthermore, a love triangle develops between Sunako, Kyohei and Ranmaru?! You don't want to miss it! I'd like to thank you all for your continuing support on a runaway comedy manga, "PGE"!

Morii Ranmaru
An expert in love, who loves women.

Takano Kyouhei
The strongest fighter. A selfish man.

Oda Takenaga
The kind-hearted gentleman.

Nakahara Sunako

Tooyama Yukinojou
Cheerful and meek. A sentimentalist.

A bad likeness is not unusual thing. Don't care too much about it
Next up is the author's comments.
A groupie going full throttle!
As usual, it's wordy.
COUGH

Thank you for buying PGE ♡

Congrats on

Volume 30

Thanks to everyone ♡ I really appreciate it ♡♡♡

Well, I finally drew a kitty in my manga. I suck at drawing cats, so I meant to ask someone else to do it But there was no one. I'll keep practicing.

As I mentioned in vol.29, I went to watch 'DREAM BOYS*'♡♡♡ Kamenashi kun* is so cool♡♡♡ Tanaka kun and Nakamaru kun are cool too!

*DREAM BOYS is Japanese musical. * Kamenashi-kun is a member of KAT-TUN. He played the role of Kyouhei in drama version of PGE.

I had a heart attack twice♡ Because Kamenashi-kun passed in front of me! What a great seat! I'm sure people who were in the same line as me had a heart attack too! He was wearing a boxing costume and had the hood on. Even though I could see only his nose and mouth, I know he is an absolute nice guy♡

Their famous song '1582'! The moment I heard the intro, my heart stopped again. I wanted to listen to the full song though. Anyway, they are so cool♡ I can't wait for KAT-TUN's concert♡♡♡

Speaking of Kamenashi-kun, 'Bem* comes to my mind! He's killing me♡♡♡ His silver hair and hat suite him♡♡♡ I cried a lot watching it last time. It's been a while since I watched TV and cried! It's a good story. Well, if I keep talking about it, it'll be much longer than can be covered by this manuscript. So I think I'll stop now. Kamenashi-kun is sexy. On top of that, there's an elegant and adult vibe to him now! How cool can you get, Kamenashi-kun♡♡♡

And I went to watch

'Swan Lake' starred with Prince Miyao Shuntarou*, A dancer from K-BALLET COMPANY

*Japanese ballet dancer. He played the role of Ranmaru in drama version of PGE.

He's like a real prince. Well, he was really cool ♡♡♡ Actually, I went to watch the ballet show with little sleep because I had a deadline during the day. I was worried I'd fall asleep during the performance from the gorgeous classic music...

But I got absorbed into it!

They are awesome! Beautiful! I find this is called 'the art'. And I understood what 'flexibility' means. I always see them through groupie eyes. But this time, I straightened up my back and watched them as an artistic production.

He really took me to the dream world.

Plus there was an autograph session after the show. He was wearing a black suit! Oh my goodness! (This time, I saw him through groupie eyes). When he is in a costume, you can see his well-trained muscles. But in a suit, his long arms and legs stand out! So cool ♡ He's tall and has a small face, so I felt like he was far from me. He was amazingly cool ♡ I got into a ballet. I want to watch it again soon.

Of course, to see Prince Shuntarou Miyao!

A wraparound band of this vol30!

You know what! Aya Omasa* wrote it for me ♡♡♡
Kya——! She is so popular right now!

*Japanese actress; she played the role of Sunako in drama version of PGE.

I have seen her many times since PGE's drama started. She's really cute, pretty and a good girl ♡♡♡ Her skin is so fine that it makes me want to ask her 'what is it made of?'. Her way of talking, her use of words; everything is cute <3 After seeing my photo with Aya-chan, my editor said 'It's unbelievable that you and she are the both human beings'. Yeah, I think so too. Even though she is 10cm taller than me, my face is twice as big as hers. And her legs start from my waist line. Her arms and legs are incredibly long!

Thank you, Aya-chan! I love you ♡♡♡

I just came back from MERRY's concert ♡ (Today is the second day). MERRY is the best ♡ They are so cool! They are so cool to get duck bumps.
I almost cried. Their concerts have been composed of their 6 albums and you can't miss even one of them as all of their albums are famous! They showed up in black suits, white shirts and black ties. They already gave me a bloody nose, but they also had a hat and a cane! The combination of blond hair and a hat is killing me ♡♡♡ All of the members of MERRY are hot, but I'm a fan of Gara-kun. He is a man who has a wonderful body. When he takes his clothes off during the concert, I just stare him! After all, I was only able to go to 3 of their concerts over the 6 days.

After I finish this manuscript, I'll go SUG's concert ♡ To see Takeru-kun<3 Takeru-kun is super cute! He is an real handsome boy ♡ I call him 'Takeru-tan' secretly. Keep it to yourself. ♡

In the past 6 months, I could go only few concerts, so I'm planning to enjoy December (my holiday ♡).
So far, I'll go to see Kishidan! NEW ROTE'KA! THE GELUGUGU! And Kanjani8!
I enjoyed 2011's new year at Jonny's countdown concert, so I hope I can go their concert in 2012 too! (It hasn't been announced yet...)
